

Feedback - AIFA Director's Dinners

Exeter Director's Dinner

Thank you so much for the informative update by Chris and Bill Tolmie at Exeter yesterday evening. It was particularly interesting that you are now tackling Brussels as well as Westminster.

London Director's Dinner

A thoroughly enjoyable and interesting event, I am much clearer about RDR than this time yesterday.

It is always entertaining to meet one's fellows, and even more to hear them quiz Jeremy Evans, who put a lot of energy into the evening!

Birmingham Director's Dinner

The dinner was very enjoyable and very worthwhile. There was a lot of content to think about and it was extremely well presented. Thank you for your efforts on our behalf.
